

DanceTalent Studio COVID Terms and conditions

Following government advice and new regulations we have new terms and conditions that all parents/carers and students must adhere to.

Students must arrive ready for class in uniform, they will not be allowed to change once up at the studio. Coats and outdoor shoes may be worn.

Students will be met at the main entrance by a member of staff and taken up to the studio where they will be required to use the hand sanitisers provided.

Whilst in class students will be required to remain in their square which is clearly marked by tape on the floor unless they are told otherwise by a member of staff.

Teachers and staff will maintain a safe distance from students whilst teaching unless this is required. I.e. to administer first aid.

Students will be able to change their dance shoes for their various different classes.

At the end of the class students will be brought down to the white door by a member of staff where parents/carers will be required to collect their child. When waiting we ask that parents observe a social distance from each other and avoid gathering at the door. Children will not be allowed onto the car park if a parent/carer is not visible.

Parents/carers MUST bring and collect their child on time as we have no facilities in place to hold children if parents are delayed. If you are late arriving, then please phone the studio and we will if possible, come and meet your child at the entrance. Please note there may be some delay in us doing this.

If your Child has a gap between classes, they must exit the studio and then return for their later class. There is to be no one waiting at the studio. If your class follows straight after, then this does not apply to you. We have allowed 5 minutes between each class in order to clean.

LOCAL LOCKDOWN

In the event that a class cannot be held at the studio as a result of a situation beyond our control (including but not limited to a further lockdown due to Covid-19), it will be replaced online. Fees are non-refundable. Lesson times may differ slightly on zoom however we will endeavor to keep to the schedule as much as we possibly can.

Please confirm you have read these Terms and conditions by texting: 07866770891.
